

FISHERS of MEN

WHAT IS FISHERS OF MEN?

"Fishers of Men" is a ministry that acts to encourage sharing your faith in God and the salvation and forgiveness found through Jesus Christ with others.

WHAT IS THE FISHERS OF MEN EVENT?

Our annual event is a fishing tournament for all adult men of Zion. For the purpose of this event an adult is 18 years of age or older post high school. This event is intended to give us an opportunity to come together in fellowship through a common interest of fishing and enjoying the gifts of nature that God has so richly blessed us with. This is a boating event, in which teams compete for the highest average weight of fish per fisherman. The total weight caught is divided by the number of team members in the boat. All species of game fish are eligible. This is a catch and release tournament. Keeping your fish is optional. All fishing and boating regulations of the state of Minnesota apply.

OUR OUTREACH ELEMENT?

Again, this year will be an "outreach" event to bring us closer as brothers in Christ and bring it to others beyond our doors. Each team is encouraged to bring a guest and in doing so, share the good news of Christ.

WHEN?

Saturday September 9th. Boat launching starts at 10am. Fishing begins at 12 noon and ends at 3pm followed by the "weigh in".

WHERE?
