Volunteers working VBS will serve as family/tribe member for kids whose parents don't stay

We need to work on marketing/promotional video to show during church service and how registration will work

There will be a meeting on 5/31 for people that will be going on the trip

Fundraising:

Geranium Sales - Preorder is done, we will pick up the week before the sale at church and must be picked up by 5/28. Pricing is set and order forms are being created.

Rada Cutlery - holding off this year, will revisit in fall or spring

Dress sale - We made \$150...we've made double than amount in other years. Wondering if the dates that we had it this year affected our profit. Trying to rearrange some dates for next year

Garage Sale - thinking about doing it at the church along with the car wash and bake sale. Also checking with the senior center to see when their sale is and do ours at the same time

Church Merch - Some ladies from church want red Zion shirts. Lydia will follow up to find out when they need them by and we will decide if we want to sell them again. Nicki will check with Devine Ink in Pequot Lakes for minimums and price

Bagging groceries at Cub Foods - Heidi is filling out the forms needed so we can get some dates scheduled.

Other Business:

Meeting Times need to be changed so Pastor can join us. Will keep it the same for May and discuss changes in July.

Discussions have started about possibly going back to 2 services - more information will come out as it's available.
